## Summary of Legislation

Under current law, the Concurrent Enrollment Advisory Board is scheduled to repeal July 1, 2019. The bill extends the board's repeal date to September 1, 2024, after a sunset review.

## Background

The Concurrent Enrollment Advisory Board provides coordination assistance between local education providers and post-secondary institutions to improve the quality and accessibility of concurrent enrollment programs. The board is made up of 14 members representing elementary, secondary, and post-secondary education, institutions of higher education, school districts, career and technical programs. Members serve on a voluntary basis.

## Continuing Program Impacts

The Colorado Department of Education will continue to spend approximately 105 hours, or about 0.05 FTE, to support and staff the board's quarterly meetings, as well as to prepare an annual memorandum on the board's activities. If this bill is enacted, this current workload will continue for the program through September 1, 2024. If this bill is not enacted, the board will end on July 1, 2019 and state workload will decrease starting in FY 2019-20 by 105 hours, but no change in appropriations will be required.

In addition, beginning in FY 2019-20, the bill continues current workload for state institutions of higher education who have a representative serving on the board. No appropriation is associated with this workload.

### **School District Impact**

Beginning in FY 2019-20, the bill continues current workload for school districts that have a representative serving on the board.

### **Effective Date**

The bill was signed into law by the Governor and took effect on June 3, 2019.
