1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) In addition to the student rights pursuant to section 23-1-125
5 (1)(a), (1)(c), and (1)(d), Colorado Revised Statutes, students need
6 additional rights for their work-related experience to be evaluated fairly
7 for application toward a postsecondary credential;

8 (b) To ensure the economic vitality of Colorado, every industry
9 needs access to a skilled workforce, every Coloradan needs access to
10 meaningful employment, and institutions of higher education must
11 maintain the ability to enroll qualified students and produce high-quality
12 credentials of value;

13 (c) During the 2016-17 and 2017-18 academic years, high school
14 students earned nine thousand industry credentials related to high-demand
15 jobs and industries in Colorado. These industry credentials should be
16 evaluated for potential application toward a postsecondary credential with
17 transferability among two-year and four-year institutions.

18 (d) The commission on higher education, in collaboration with
19 representatives from institutions of higher education, must develop a plan
20 to align work-related experience with academic credit that counts toward
21 a student's postsecondary education credential;

22 (e) The plan must be open, transparent, and credible so students

1 can progress more efficiently along pathways into postsecondary
2 education and the workforce;

3 (f) Industry members, especially from high workforce demand and
4 growing industries with critical occupations and top jobs that are
5 identified in the Colorado talent pipeline report, are important
6 stakeholders in this process to ensure Colorado's higher education system
7 is responsive to students and to the changing economy; and

8 (g) Through this work, the general assembly ensures additional
9 pathways to career and financial success for Colorado students and
10 workers and reduced costs to students through less time required to earn
11 a degree.
