over intercollegiate athletics (association), including the National Collegiate Athletic Association, an institution of higher education (institution) shall not uphold any rule, requirement, standard, or other limitation that prevents a student athlete of the institution from earning compensation from the use of the student athlete's name, image, or likeness (compensation). A student athlete's earning of compensation may not affect the student's scholarship eligibility. An association shall neither prevent a student athlete from earning compensation nor prevent an institution from participating in intercollegiate athletics because a student athlete receives compensation. Neither an institution nor an association shall:

- ! Provide compensation or remuneration to a prospective student athlete; nor
- ! Prevent a student athlete from obtaining professional representation in relation to contracts or legal matters, including representation provided by athlete advisors and legal representation provided by attorneys.

A student athlete shall not enter into a contract providing compensation to the student athlete (athlete contract) if the athlete contract conflicts with a contract of the team for which the student athlete competes (team contract). A team contract that is entered into, modified, or renewed on or after the effective date of the bill may not prevent a student athlete from using the student athlete's name, image, or likeness for a commercial purpose when the student athlete is not engaged in official team activities. A student athlete who enters into an athlete contract shall disclose the athlete contract to the athletic director of the institution within 72 hours after the student athlete enters into the athlete contract.

Any commission of an act prohibited by the bill is an unfair trade practice for the purpose of enforcement of the "Colorado Consumer Protection Act", except that the commission of a prohibited act by a student athlete is not an unfair trade practice.

The bill takes effect August 31, 2021.

1 *Be it enacted by the General Assembly of the State of Colorado:*
