or lease, or transmit an offer to rent or lease housing based on a person's source of income. In addition, a person cannot discriminate in the terms or conditions of a rental agreement against another person based on source of income, or based upon the person's participation in a 3rd-party contract required as a condition of receiving public housing assistance. A person cannot include in any advertisement for the rent or lease of housing any limitation or preference based on source of income, or to use representations related to a person's source of income to induce another person to rent or lease property. The restrictions do not apply to a landlord with 3 or fewer rental units.
