TO: Members of the House Energy and Environment Committee

FROM: Erin Reynolds, Principal Fiscal Analyst, 303-866-4146

SUBJECT: Intent to Postpone Indefinitely House Bill 20-1018

Senator Hansen informed our office of his intent to have the House Energy and Environment Committee postpone indefinitely his bill, House Bill 20-1018, concerning the adoption of a renewable natural gas standard. On the basis of this information, we have stopped work on the fiscal note for the House version of this bill, and will instead work on the fiscal note for the Senate version of the bill.
