The bill reduces expenditures for medical services premiums by \$7,011,151 for the Department of Health Care Policy and Financing in FY 2020-21 and \$16,506,485 in FY 2021-22. The reduction by funding source is shown in Table 1 above.

Effective Date

The bill was signed into law by the Governor and took effect on June 30, 2020.
