Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing statute.

The specific deductions are related to net operating losses, the application of the federal excess business loss rules, interest expenses, and qualified improvement property.

The earned income tax credit is equal to a percentage of the federal earned income tax credit. **Section 2** allows taxpayers filing with an individual taxpayer identification number to claim the earned income tax credit for income tax years commencing on or after January 1, 2020.
