**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

Current law requires the prescription drug monitoring program (program) to track all controlled substances prescribed in Colorado. The bill expands the program, effective February 1, 2023, to track all prescription drugs prescribed in this state. The bill extends the repeal of the program until September 1, 2028.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters or bold & italic numbers indicate new material to be added to existing statute.
