The bill modifies the required procedures relating to a respondent's firearms or ammunition following the issuance of a protection order.

firearm, and the location of all firearms in the person's immediate possession or control. If the person does not possess a firearm at the time the order is issued, the person shall indicate such nonpossession in the affidavit.

The bill requires the court to conduct a compliance hearing within 7 business days after the issuance of a protection order if the person has not completed the affidavit. For criminal cases, the court may consider the issue in other proceedings before the court and the hearing is considered a court action involving a bond reduction or modification. Information compelled or any information directly or indirectly derived from testimony, the affidavit, or other information shall not be used against the defendant in any criminal case, except for prosecution of perjury.

The bill excludes legal holidays and weekends from the current time frame a person has to relinquish a firearm. The bill allows a court to grant a person an additional 24 hours to relinquish a firearm if the person is unable to comply with the required time frame of relinquishment.

The bill requires a federally licensed firearms dealer, law enforcement agency, or private party to issue a signed declaration memorializing the sale or transfer of the firearm.

The bill allows a law enforcement agency to enter into an agreement with any other law enforcement agency or storage facility for the storage of transferred firearms. The bill requires a law enforcement agency that elects to store a firearm to obtain a search warrant to examine or test the firearm or facilitate any criminal investigation if the law enforcement agency has probable cause to believe the firearm has been used in the commission of a crime, is stolen, or is contraband.

The bill prohibits the person from transferring the firearm to a private party living in the same residence as the person at the time of transfer. The bill prohibits a private party from returning a firearm to the person until the private party receives a written statement of the results of the background check conducted by the Colorado bureau of investigation authorizing the return of the firearm to the person.

Current law requires a copy of the written receipt and the written statement of the criminal background check to be filed with the court as proof of relinquishment. The bill requires the signed declaration to be filed with the court instead of the receipt. Both the signed declaration and written statement are only available for inspection by the court and the parties to the proceeding.

A federally licensed firearms dealer, law enforcement agency, storage facility, or private party that elects to store a firearm is not civilly liable for any resulting damages to the firearm, as long as such damage did not result from the willful and wrongful act or gross negligence of the person or agency storing the firearm.
