Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to make net \$0 changes to appropriations in the Department of Health Care Policy and Financing. The amendment moves \$103,503 total funds, including \$66,003 General Fund and \$37,500 federal funds, from the Transfers to/from Other Departments subdivision to the Medical Services Premiums division,

HB21-1206**JBC Staff Analysis**

reflecting that the Department of Health Care Policy and Financing will now regulate the transportation providers directly, rather than sending money to the Department of Regulatory Agencies to perform the regulation. (There is no corresponding adjustment in the Department of Regulatory Agencies, because the money previously received from the Department of Health Care Policy and Financing was continuously appropriated by statute and off-budget).

Points to Consider

None.
