Summary of Legislation

The Special Education Fiscal Advisory Committee is scheduled to repeal on September 1, 2021. This bill continues the committee indefinitely.

Background

The Special Education Fiscal Advisory Committee is a 12-member committee, appointed by the State Board of Education and housed in the Colorado Department of Education (CDE). The committee advises the state board regarding the allocation of funds from the Colorado Special Education High-Cost Grant Program. The committee is also charged with determining the level of special education costs above which a school district may apply for reimbursement from the grant program.

The committee meets in person once per year to review the high-cost grant applications from school districts and make recommendations to State Board of Education for distribution of the high-cost funds. All other meetings will be conducted virtually.

Continuing Program Impacts

The cost for the Department of Education to administer the Special Education Fiscal Advisory Committee is projected to be \$16,513 in FY 2021-22 and \$18,822 in FY 2022-23. This amount reflects a continuation of current administration costs, including committee member expenses, 0.2 FTE in staff support, and associated centrally appropriated costs for employee insurance and supplemental retirement payments, as shown in Table 2 below. First-year costs are prorated for the September 1 effective date. Centrally appropriated costs are not included in the bill's required appropriation.
