## **Summary of Legislation**

The bill increases the size of the Limited Gaming Control Commission from five to seven members and requires that one member be a registered elector of Gilpin County, and one member be an elector of Teller County. The commission members meeting this new criteria may also satisfy other professional or experience requirements for the commission (i.e., a person with law enforcement experience, an attorney, or an accountant); however, they cannot take the place on the commission reserved for a person employed in the gaming industry.

## **State Expenditure**

The bill increases state expenditures by \$7,650 annually beginning in FY 2021-22. Members of the commission may receive compensation of \$100 per commission meetings and reimbursement for travel and expenses. This bill adds two members to the commission, increasing state cash fund expenditures from the Limited Gaming Fund. The fund is continuously appropriated to the Division of Gaming in the Department of Revenue, so no additional appropriation is required in this bill.

## **Effective Date**

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
