FOOTNOTES—The following statements are referenced to the numbered footnotes throughout section 2.

116 Department of Treasury, Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease of \$77,812 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.

SECTION 2. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.
