2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds and declares that:

4 (a) The global pandemic has caused tremendous strain on the  
5 health-care system and, in particular, on frontline health-care providers;

6 (b) Nurses, nurse aides, and psychiatric technicians have been  
7 especially hard hit as they are the primary providers of direct care and  
8 services in hospitals, nursing care facilities, assisted living residences,  
9 and mental health facilities, all of which have experienced significant  
10 challenges throughout the pandemic, from above-capacity patient levels  
11 to frequent exposure to COVID-19; and

12 (c) Due to these tremendous challenges, many of these critical  
13 health-care providers are leaving the field or struggling to remain in their  
14 jobs, given the stressful work environments.

15 (2) In recognition of the incredible services these critical  
16 health-care providers have delivered throughout the pandemic and of the  
17 selfless sacrifices they have made, it is the intent of the general assembly  
18 to provide licensure and certification fee relief for nurses, nurse aides,  
19 and psychiatric technicians.
