1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds, determines, and declares that:

4 (a) The state of Colorado is focused on supporting communities
5 to create proven responses to homelessness that are designed to connect
6 people without stable housing to services, care, and housing to help
7 ensure that when homelessness occurs, it is rare and brief, and that no one

1 gets left behind;

2 (b) The COVID-19 pandemic has exacerbated Colorado's
3 homelessness and behavioral health crisis. Many communities do not
4 have sufficient responses to address housing and behavioral health needs
5 for their community members.

6 (c) People experiencing homelessness with chronic behavioral
7 health issues face many challenges in accessing long-term treatment and
8 are far more likely to receive care in hospital emergency departments.
9 Without trained and dedicated providers or advocates, people
10 experiencing homelessness often end up in a cycle of expensive treatment
11 with little or no follow-up.

12 (d) Housing and support services are crucial for the safety, health,
13 and well-being of Coloradans. Extensive research shows that housing is
14 an essential social determinant of health. Stable housing improves health
15 outcomes and decreases health-care costs.

16 (2) Therefore, it is the intent of the general assembly to facilitate
17 investments in local communities across the state of Colorado to quickly
18 connect people experiencing homelessness with services, treatment, and
19 temporary and permanent housing to put them on a path to economic
20 self-sufficiency.

21 (3) The general assembly further finds and declares that the grant
22 program described in this act is an important government service.
