Summary of Legislation

The bill makes several changes to the administration of the Marijuana Tax Cash Fund (MTCF). First, the bill corrects a technical error in previous legislation and reauthorizes the appropriation of revenues from the MTCF in the year in which they are received. Second, the bill implements a 15 percent reserve requirement for the MTCF. And third, the bill delays transfers from the MTCF to the Public School Capital Construction Assistance Fund (BEST fund). Instead of transferring \$100 million from the MTCF to the BEST fund on June 1, 2022, as enacted under SB 21-207, this bill requires the State Treasurer to transfer the following amounts from the MTCF to the BEST fund:

- \$50 million on June 1, 2022;
- \$30 million on June 1, 2023; and
- \$20 million on June 1, 2024.

State Transfers

The bill decreases transfers from the MTCF to the BEST fund by \$50 million in FY 2021-22, and increases transfers from the MTCF to the BEST fund by \$30 million in FY 2022-23 and \$20 million in FY 2023-24.

Effective Date

This bill was signed into law by the Governor and took effect on April 25, 2022.
