- \$5.0 million to the Just Transition Cash Fund to support targeted economic development for expansion assistance for existing local businesses; expanding private financial investment; and site selector and technical assistance engagements, to be spent by the close of FY 2025-26; and
- \$10.0 million to the Coal Transition Worker Assistance Program Account in the Just Transition Cash Fund to directly assist coal transition workers, their family members, and other household members, including coal transition workers, their family members, and their household members who are members of a disproportionately impacted community with tuition assistance and apprenticeships; expanded child care assistance; career planning services; financial counseling; and housing assistance, to be spent by the close of FY 2026-27.

## Background

House Bill 19-1314 created the Office of Just Transition in CDLE. House Bill 21-1290 provided \$15.0 million in funding to the program. House Bill 22-1193 adjusted program funding. The Just Transition Action Plan is available at: <https://cdle.colorado.gov/the-office-of-just-transition>. For CDLE's list of coal transition communities, see: <https://cdle.colorado.gov/coal-in-colorado>.

## State Transfers

On July 1, 2022, the bill transfers \$15.0 million from the General Fund of which \$5.0 million is deposited into the Just Transition Cash Fund, and \$10.0 million is deposited into the Coal Transition Worker Assistance Program Account.

## State Expenditures

The CDLE will use existing staff to distribute additional program funding; no change in appropriations is required.

## Local Government

CDLE has identified the following counties as coal transition communities: El Paso, Gunnison, La Plata, Larimer, Moffat, Montrose, Morgan, Pueblo, Rio Blanco, and Routt counties. It is expected that local government entities in these areas of the state will receive just transition funding. These entities will have an increase in workload to administer these funds.

## Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

## State Appropriations

For FY 2022-23, the bill requires the following appropriations to the Department of Labor and Employment:
