Bill Topic: NEIGHBORHOOD YOUTH ORGANIZATIONS

Summary of Fiscal Impact: **No fiscal impact.** This bill makes several changes in the operations and regulation of neighborhood youth organizations. It is assessed as having no fiscal impact on state and local governments.

Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the enacted bill.

Summary of Legislation

This bill makes several changes in the operations and regulation of neighborhood youth organizations (NYOs), including:

- lowering the age limit to five years old for youths wishing to join an NYO;
- allowing NYOs to track youths' arrival and departure times for specified purposes;
- requiring each NYO to create a data system to manage individual youth member personally identifiable data and to take steps to protect and secure the data;
- prohibiting NYOs from selling personally identifiable data collected on youths or using it for purposes of targeted advertising;
- allowing NYOs to use youths' personally identifiable data for certain matters of legal, regulatory, or public safety concern and permitting parents to request and review data collected on their child;
- requiring NYOs to offer programs and services that are evidence- or research-based to support youths' various needs, with a particular focus on low-income families; and
- requiring that NYOs operate out of a facility specifically owned, leased, or granted to the organization.

Assessment of No Fiscal Impact

The bill updates the statute concerning NYOs to codify current practices and eliminate outdated language. This results in no change to state or local government revenue or expenditures, and the bill is assessed as having no fiscal impact.

Effective Date

This bill was signed into law by the Governor and took effect on March 17, 2022.
