101 **CONCERNING THE TAXATION OF TOBACCO PRODUCTS.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. Legislative Oversight Committee Concerning Tax Policy. The bill categorizes the remote sales of certain kinds of tobacco products for purposes of establishing the regulation and taxation of the sales. The bill then establishes a system for the taxation and licensing of these "remote retail sales" that substantively
