A BILL FOR AN ACT

101 **CONCERNING SOCIAL EQUITY LICENSES IN THE REGULATED**
102 **MARIJUANA BUSINESS.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill creates an accelerator hospitality business license, accelerator transporter license, and accelerator retail deliverer permittee for social equity licensees qualified to participate in the accelerator program.

The bill requires the department of revenue to provide an annual report to the finance committees of the house of representatives and the

senate concerning active social equity licenses, any recommendations for new social equity licenses and permits, and any recommendations for new or innovating funding sources for the social equity licensees or permittees.

Effective January 2, 2024, the bill amends the eligibility requirements for a person to qualify as a social equity licensee. The bill clarifies that the new eligibility requirements only apply to social equity licensee applications received on or after January 2, 2024, or to the reinstatement or reactivation of social equity licenses originally issued before January 2, 2024. The new eligibility requirements do not apply to the renewal of social equity licenses applied for or issued before January 2, 2024.

The bill authorizes a social equity licensee who satisfies the eligibility requirements effective January 2, 2024, with a retail marijuana transporter licensee and a retail marijuana delivery permit or an accelerator retail deliverer permit, to exercise the privileges of a retail marijuana store license without needing to obtain a retail marijuana store license or accelerator store license.

The bill requires the department of revenue to create incentives for social equity licensees and accelerator-endorsed licensees, including reducing or waiving fees.

The bill creates, in the office of economic development, a grant committee that is responsible for reviewing grant applications, selecting grant recipients, and determining grant awards that are issued pursuant to an existing grant program for supporting entrepreneurs in the marijuana industry.
