If the parent prevails in a state complaint decision, the education provider may file a due process complaint against the parent regarding the issues disputed in the state complaint. The bill requires the department of education (department) to create and maintain a list of attorneys qualified to represent a parent in a due process complaint hearing filed by an education provider concerning issues disputed in the state complaint in which the parent prevailed.

The department shall appoint an attorney to defend a parent against due process complaints filed by an education provider. The parent may waive the appointment of the attorney.

The bill requires the department to include information on attorney appointments in the procedural safeguard notice and in materials distributed to parents describing due process complaint procedures.
