Final Fiscal Note

Drafting Number: LLS 23-0626 Date: September 7, 2023
Prime Sponsors: Rep. Bradley; Velasco Bill Status: Deemed Lost
Sen. Priola Fiscal Analyst: Alexa Kelly | 303-866-3469 alexa.kelly@coleg.gov

Bill Topic: PUBLIC ACCESS LANDLOCKED PUBLICLY OWNED LAND

- Summary of Fiscal Impact: State Revenue, State Expenditure, State Transfer, TABOR Refund, Local Government, Statutory Public Entity

The bill would have created a task force in the Department of Natural Resources to study the issue of access to public land that shares a border with public land, but to which access is inhibited by private land. The bill would have increased state expenditures for FY 2023-24 only.

Appropriation Summary: For FY 2023-24, the bill requires an appropriation of \$124,632 to the Department of Natural Resources.

Fiscal Note Status: The fiscal note reflects the introduced bill, as amended by the House Agriculture, Water, and Natural Resources Committee and the House Appropriations Committee. This bill was deemed lost in the House on May 9, 2023; therefore, the impacts identified in this analysis do not take effect.

Table 1 State Fiscal Impacts Under HB 23-1066

Table with 4 columns: Category, Fund, Budget Year FY 2023-24, Out Year FY 2024-25. Rows include Revenue, Expenditures (General Fund), Transfers, and Other Budget Impacts (General Fund Reserve).

## Summary of Legislation

The bill creates a task force in the Colorado Parks and Wildlife (CPW) in the Department of Natural Resources to study access to public land that shares a border with public land where access is blocked by privately owned land. The task force must have its first meeting by October 15, 2023, meet as often as necessary to complete its duties, and submit a report to the legislature by January 1, 2024. Task force members serve without compensation or reimbursement.

## Assumptions

The required study is beyond the typical scope of the work supported by CPW cash funds, so the fiscal note assumes General Fund is required.

## State Expenditures

The bill increases state expenditures in the Department of Natural Resources by \$124,632 in FY 2023-24 only paid from the General Fund. Expenditures are shown in Table 2 and detailed below.

**Table 2**  
**Expenditures Under HB 23-1066**

	FY 2023-24	FY 2024-25
<b>Department of Natural Resources</b>		
Contractor Costs	\$120,000	-
Staff Travel Costs	\$4,632	-
<b>Total Cost</b>	<b>\$124,632</b>	<b>-</b>

**Department of Natural Resources.** Expenditures for CPW will increase for contractor and travel reimbursement costs.

- **Contractor costs.** CPW will need to hire a contractor to provide task force support, including statewide meeting coordination and planning and meeting facilitation. The level of resources included in the fiscal note assumes a significant participation level from stakeholders and the public. Contractor costs are based on wolf reintroduction meetings as a proxy.
- **Staff travel costs.** CPW staff workload will be absorbed within existing resources; however, CPW will require funding to reimburse two state employees for travel expenses associated with holding and participating in public meetings.

## Other Budget Impacts

**General Fund reserve.** Under current law, an amount equal to 15 percent of General Fund appropriations must be set aside in the General Fund statutory reserve. Based on this fiscal note, the bill is expected to increase the amount of General Fund held in reserve by the amounts shown in Table 1, decreasing the amount of General Fund available for other purposes.

## Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.

## State Appropriations

For FY 2023-24, the bill requires a General Fund appropriation of \$124,632 to the Department of Natural Resources.
