Amendments in This Packet for Consideration by Appropriations Committee

Amendment	Description
J.002	Staff-prepared appropriation amendment

Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates \$2,000,000 General Fund to the Department of Education for FY 2023-24. This provision also states that the appropriation is based on the assumption that the Department of Education will require an additional 1.8 FTE.

Description of Amendments in This Packet

J.002 Staff has prepared amendment **J.002** (attached) to change the existing clause to specify that the appropriation is based on an assumption that the Department will require an additional 1.7 FTE (rather than 1.8 FTE).

SB23-007**JBC Staff Analysis**

The Committee may adopt **J.002** or may choose not to adopt this amendment, since FTE assumptions are shown for informational purposes only, and modifying the FTE assumption is not associated with a change to the \$2,000,000 General Fund appropriated in the bill.

Points to Consider
General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSP) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

General Fund Appropriation Placeholders for Other 2023 Legislation	
Description	FY 2023-24
Legislation with Ongoing Fiscal Impacts	\$30,000,000
Legislation with One-time Fiscal Impacts	
Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment	103,000,000
Housing-related legislation, including property tax relief, land use, and public-private partnerships	221,000,000
Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation	145,000,000
Subtotal	\$469,000,000
TOTAL Placeholders for Other 2023 Legislation	\$499,000,000

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

This bill creates an ongoing obligation and requires a General Fund appropriation of \$2,000,000 for FY 2023-24, reducing the \$30.0 million set aside by the same amount.
