Description of Amendments in This Packet

L.005 Bill Sponsor amendment **L.005** (attached) strikes everything below the enacting clause and replaces it with provisions that modify definitions related to restrictions on the use of student data specified in article 16 of Title 22, C.R.S. The changes clarify the definition of "targeted advertising" so that this includes selecting and sending advertisements to a student based on information obtained or inferred over time from the student's online behavior, *including online behavior that generates artificial intelligence-based content and curated digital research collections.*
