Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$33,206 cash funds, including \$17,431 from the License Plate Cash Fund and \$15,775 from the Colorado DRIVES Vehicle Services Account, to the Department of Revenue for FY 2024-25.

Points to Consider*TABOR/ Excess State Revenues Impact*

The March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast projects a TABOR surplus liability of \$1.3 billion for FY 2024-25 and \$1.8 billion for FY 2025-26 to be refunded to taxpayers out of the General Fund. Legislation that increases non-exempt revenue (such as cash funds) will increase the TABOR refund from the General Fund. The budget package includes a set aside of \$63.1 million General Fund for appropriations in FY 2024-25.

This bill is estimated to increase cash fund revenues by \$145,656 in FY 2024-25 and by \$158,117 in FY 2025-26, which will reduce the available General Fund in each fiscal year by equal amounts. This bill increases the TABOR refund made out of the General Fund by \$145,656 for FY 2024-25, reducing the \$63.1 million General Fund set aside for FY 2024-25 by the same amount.
