Summary of Legislation

The bill authorizes the Colorado Bureau of Investigation (CBI) within the Department of Public Safety (CDPS) to investigate criminal activity involving firearms on a statewide basis. CBI must communicate with the appropriate local law enforcement agency and collaborate with the local district attorney in the jurisdiction where it is conducting an investigation. Nothing in the bill authorizes CBI to investigate other criminal activity encountered during a firearms-related investigation without consent from, or in collaboration with, the local law enforcement agency.

State Expenditures

The bill increases expenditures in the CDPS by \$1.7 million in FY 2024-25, and by \$1.6 million in FY 2025-26 and beyond, paid from the General Fund. The bill may increase workload and costs for other state agencies involved in the criminal justice system. Expenditures are shown in Table 2 and detailed below.

Total Cost	\$1,690,258	\$1,638,963
Total FTE	10.1 FTE	11.0 FTE

¹ Centrally appropriated costs are not included in the bill's appropriation.

Personal services. The CBI will hire 11.0 FTE to investigate criminal firearm activity statewide. This includes seven CBI field agents, and additional forensic and administrative support staff. Salary amounts are above the midpoint range to recruit and retain qualified persons for these positions. FY 2024-25 amounts are prorated for an August 1, 2024, start date.

Operating expenses Operating expenses starting in FY 2024-25 are required for FTE, including desk phones, software, and office supplies. Field agents also require funding for annual training at \$5,000 per agent. Additionally, annual forensic services training and accreditation is required for 2.0 FTE at \$5,500 each.

Capital outlay. One-time funding in FY 2024-25 only is required for computers and office furniture for 4.0 FTE, and to equip 7.0 FTE as CBI field agents. Agent packages include radios, safety equipment, firearms, computers, and vehicle equipment. Each package costs about \$20,000.

Travel expenses. Field agents also require travel expenses, including out-of-state conference travel at \$5,000 per agent, annual vehicle leases at \$7,991 per agent, and fleet vehicle mileage costs estimated at \$4,540 per vehicle.

Leased space. Ongoing funding starting in FY 2024-25 is required for leased space costs for each FTE estimated at \$4,650 per FTE.

Other state agencies. To the extent additional agents increase criminal firearm cases filed, workload and costs to state criminal justice agencies, such as the Judicial Department, the Department of Law, independent judicial agencies that represent indigent offenders, and the Department of Corrections will increase. This increase is expected to be minimal and no change in appropriations is required.

Centrally appropriated costs. Pursuant to a Joint Budget Committee policy, certain costs associated with this bill are addressed through the annual budget process and centrally appropriated in the Long Bill or supplemental appropriations bills, rather than in this bill. These costs, which include employee insurance and supplemental employee retirement payments, are shown in Table 2.

Other Budget Impacts

General Fund reserve. Under current law, an amount equal to 15 percent of General Fund appropriations must be set aside in the General Fund statutory reserve. Based on this fiscal note, the bill is expected to increase the amount of General Fund held in reserve by the amounts shown in Table 1, decreasing the amount of General Fund available for other purposes.

Local Government

Similar to the state, to the extent the CBI generates additional criminal cases that are assisted by local law enforcement, prosecuted by district attorneys, and sentenced to county jails, costs will increase for these local agencies.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For FY 2024-25, the bill includes a General Fund appropriation of \$1,477,127, and 10.1 FTE to the Department of Public Safety.
