revenue are lower than anticipated, resulting in a decrease in the local share of total program funding for the 2024-25 budget year.

The bill declares the general assembly's intent to increase the state share of districts' total program funding by \$64,076,611 for the 2024-25 budget year.

The bill adjusts a repeal date for the total program reserve fund.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) For the 2024-25 budget year, the actual funded pupil count is
5 higher than anticipated when the appropriation was established in the
6 2024 legislative session for total program funding for the 2024-25 budget
7 year. As a result, total program funding is \$38,467,082 higher than
8 anticipated when appropriations were established in the 2024 legislative
9 session.

10 (b) Based on actual local property tax revenue and specific
11 ownership tax revenue available to school districts for the 2024-25 budget
12 year, the local share of total program funding is \$25,609,529 lower than
13 anticipated when the appropriations were established in the 2024
14 legislative session.

15 (2) Therefore, it is the general assembly's intent to increase the
16 state share of districts' total program funding by \$64,076,611 for the

12 the prior year, to determine any necessary changes in the amount of the
13 reduction to maintain total program funding for the applicable budget
14 year that is consistent with this subsection (5.5).
