### **Summary of Proposed Amendment L.001**

---

Amendment L.001 removes the requirement that the Department of Education collect and compile reports submitted by public schools to vendors of digital collections. The amendment also removes the requirement for public libraries to disclose details of contracts and agreements.

### **Fiscal Impact of Amendment L.001**

---

Amendment L.001 removes the state expenditure of \$43,700 identified in the fiscal note dated February 3, 2025, by no longer requiring the Department of Education to develop a new reporting database to receive complaints regarding contracts with digital collections vendors.

### **Bill's Revised Fiscal Impact with Amendment L.001**

As amended, no appropriation is required, as shown in Table 1.
