Census Data Attestation for Colorado Public Employees Retirement Association (PERA) 2021 Annual Financial Audit

Members of the Legislative Audit Committee:

As part of the Fiscal Year 2021 PERA audit, we performed certain procedures related to selected data included in payroll reports submitted by the State to PERA. We performed testwork at selected State departments in accordance with Attestation Standards established by the American Institute of Certified Public Accountants. We specifically tested the validity of employee data transmitted to PERA, including salary information, employee and employer PERA contributions and, for employees hired after January 1, 2020, gender. We issued the attached unmodified opinion as a result of our testwork.
