Person present:

Tim Griesmer, Legislative Director, Colorado Department of State

OLLS explained the purpose of the Title 12 recodification Study.

Article 9—Bingo & Raffles Law

OLLS suggested that Article 18 is a candidate for relocation, and that it is the preliminary recommendation from OLLS to move it to a new part under Article 21 of Title 24. Tim Griesmer notified the Title 12 Recodification Study Group that the Secretary of State is considering making substantive revisions to Article 9 as part of the Secretary's legislative agenda for the 2017 session. Discussion ensued regarding relocating Article 9 as part of that effort, and how doing so would nullify the need for a 2018 session relocation as part of the Title 12 Recodification Study. Mr. Griesmer suggested an alternative location (Title 6) to put various charitable gaming statutes together.

Article 55—Notaries Public

OLLS suggested that Article 25.5 is a candidate for relocation, and that it is the preliminary recommendation from OLLS to move it to Article 21 of Title 24, as a new part under that article. Mr. Griesmer again noted that Article 55 may be substantively amended in 2017. Mr. Griesmer agreed that relocation to Title 24 seemed appropriate, and opined that the creation of a new article under that title may be a suitable alternative to relocation under Article 21. *Note: Mr. Griesmer was amenable to the Committee on Legal Services being apprised of the Secretary of State's potential 2017 legislative agenda items and offered to do so personally.*
